You will also be notified via "**School Messenger,**" our automated electronic communication system.

## PUPIL EMERGENCY PROCEDURE FORM

At the beginning of each year, a form is sent home requesting phone numbers of the pupil's residence, cell phones, child care provider or other designated person so that the school may notify the proper individual if the student is ill or has been injured. Students will only be released to people you have listed on the emergency form after they have shown proper I.D. It is imperative that the information on these cards is kept up-to-date.

If these or any telephone numbers, emails or addresses change during the school year, please notify the school office of the change.

## TRANSPORTATION

The school department does provide transportation to and from a child's home address and their assigned school. Any change of address for transportation purposes must be requested in advance through the office of the Assistant Superintendent. For the complete policy, please refer to policy [E-2 Transportation Policy](#), effective July 1, 2011.

## EMERGENCY DRILLS

Emergency evacuation drills are held regularly throughout the year in accordance with local and state regulations. Student safety is of the utmost importance and every measure possible will be taken to ensure proper execution and success of such drills. Types of drills include but are not limited to, fire, evacuation, lockdown, and shelter in place.

## INSURANCE

School insurance is available to all students. At the beginning of each school year or at any time during the year, parents have the opportunity to purchase accident insurance for their children. Information and enrollment forms can be obtained from the Cumberland School District website at:

[www.cumberlandschools.org/content/athletics-department](http://www.cumberlandschools.org/content/athletics-department)

## ATTENDANCE POLICY

### PURPOSE

Students must be in school every day of the school year in accordance with the General Laws of the State of Rhode Island 16-19-1 and/or 16-19-6. Students must attend scheduled classes unless students are excused for the reasons recognized by the Cumberland School Department.

School districts are required by law and regulations to monitor student daily attendance. Detailed student attendance reports are provided to the Rhode Island Department of Education and are used for individual student review as well as district and state comparisons across organizations and jurisdictions.

### DEFINITIONS

Absence:

A student who has attended school for less than half of a day is considered absent.

Excused Absences:

Excused absences include a student's participation in an approved school-sponsored activity, suspension days, religious holidays, a death in the family, a doctor-excused illness or injury (doctor's written excuse must be submitted upon return to school), court appearance, military deployment event, college visit or approved dismissal from school by school principal or designee, including, but not limited to, the School Nurse. Excused absences do not count toward attendance policy limits.

Unexcused Absences:

Unexcused absences include all absences not listed as Excused Absences. Unexcused absences count toward attendance policy limits.

Truancy:

A student is considered truant when he/she purposely stays away from school with or without parent/guardian permission.

Tardy:

Students are considered tardy when they arrive after the start of school. If a student has not attended school for at least half of the school day, this is considered an absence. The School Department is required, per the Rhode Island Department of Education, to track student tardiness and report this information on a daily basis.

Excused Tardy:

Excused tardies include a student's participation in an approved school-sponsored activity, suspension days, religious holidays, a death in the family, a doctor-excused illness or injury (doctor's written excuse must be submitted upon return to school), court appearance, military deployment event, college visit or approved dismissal from school by school principal or designee, including, but not limited to, the School Nurse. Excused tardies do not count toward attendance policy limits.

Unexcused Tardy:

Unexcused tardies include all tardies not listed as an Excused Tardy. Unexcused tardies count toward attendance policy limits.

Early Dismissal:

Early dismissal occurs when a student leaves before the end of the school day. The School Department is required, per the Rhode Island Department of Education, to track student early dismissals and report this information on a daily basis.

### SCHOOL DISTRICT RESPONSIBILITY

It shall be the responsibility of the Cumberland School Department to establish rules governing tardiness, early dismissal from school, excused absences, unexcused absences and truancy including but not limited to:

1. Reporting procedures.
2. Recording, tracking and investigating attendance and attendance issues.
3. Reporting of student attendance information to state and federal authorities in accordance with state and federal law, mandates and school department regulations.
4. Establishing a system of criteria, consequences and referral for investigating and addressing excessive absences, truancy, tardiness and dismissals and the failure to notify the school of the reason for the absence/tardiness/dismissal.
5. Establishing guidelines (by school) that provide reasonable opportunity for the student to make up work.

## **PARENTS/GUARDIANS AND THE STUDENT RESPONSIBILITY**

The responsibility to follow the law and regulations governing student attendance lies with the parents/guardians and students. Parents/guardians and students are ultimately responsible for regular and punctual school attendance.

It is the responsibility of parents/guardians to:

1. Abide by the law and mandates governing attendance.
2. Stress the importance of regular and punctual school attendance with their child.
3. Provide the school with accurate and current daytime telephone numbers where they can be reached.
4. Call the school on the day of their child's absence to inform the school office of their child's absence.
5. Make every effort to schedule personal appointments for their child outside of school hours.
6. Plan family vacations for when school is not in session.
7. Arrange for make-up work in a timely manner.
8. In cases of long-term illness, notify the school (school nurse and principal) as soon as possible so that provisions may be made for appropriate instruction.

## **PROCEDURES TO REPORT ABSENCES**

### **Phone Call**

Parents/Guardians of all Cumberland schools should call the school on the day of their child's absence to inform office personnel of the absence.

*Please Note: E-Mail is not an acceptable method of reporting a child's absence.*

For an absence to be considered excused, the following examples can be provided as documentation of the excused absence:

1. Doctor's note
2. Court appearance summons or other dated court document
3. Name of deceased and relation
4. Confirmation in writing from college/university regarding college visit

## **Attendance Social Suspension – MIDDLE & HIGH SCHOOL**

A student will receive a twenty-five (25) calendar day social suspension for accumulating ten (10) unexcused absences in any one trimester or semester of school. Any unexcused tardy or dismissal will also accumulate toward this total. Every three (3) unexcused tardies and/or dismissals equal one (1) unexcused absence. Any subsequent unexcused absence, unexcused tardy and/or dismissal during that trimester or semester may result in additional days of social suspension.

## **ATTENDANCE REVIEW PROCESS**

Following **five** [5] unexcused absences; the school will contact the parent/guardian to notify them of the attendance concerns and provide a copy of the attendance policy for their review.

Following **ten** [10] unexcused absences, tardies, and/or early dismissals, the school will contact the parent/guardian in writing requesting a meeting.

Following **fifteen** [15] unexcused absences, tardies, and/or early dismissals, a referral may be made to the Attendance Officer.

Appointments with doctors, dentists, etc. should be made at times other than during the school day.

Students with any unexcused absence on the day of a school-related activity (i.e.: athletic event, dance, play) may not attend that activity.

Please see *Withdrawing Students for Non-Attendance* for additional information.

## **FAMILY TRAVEL AND VACATION**

Student absence from class for purposes of family travel or vacation is a loss of valuable classroom instructional time and is strongly discouraged. All work will be provided upon return to school; students are required to make-up all missed work. Absences due to family travel and vacation are considered unexcused absences.

## **EARLY DISMISSALS**

A written request for early dismissal signed by the student's parent/guardian must be presented to the Main Office or Student Management Office (Cumberland High School) on the day of the early dismissal. This request must contain the date, time, reason for dismissal, telephone number for verification, and parent/guardian signature. Parental/Guardian phone calls requesting an early student dismissal must be approved by the Principal/Designee. Parents/Guardians may also personally come to school to request early student dismissal. A photo identification card is required for all student early dismissals.

*Please Note: E-Mail is not an acceptable method of requesting early dismissal.*

## **WITHDRAWING STUDENTS FOR NON-ATTENDANCE**

### **Beginning of the New School Year**

1. If a student is absent on the first [1] day of school that is not determined to be an excused absence, a phone call will be placed to the student's home to inquire about the student's attendance for the new school year.
2. At **three** [3] consecutive days of absence from the first day of school that is not determined to be an excused absence or the school has not received contact from a parent/guardian, a letter will be sent home to the student's parent/guardian at the home address on file indicating that the student has been withdrawn from the Cumberland School Department due to non-attendance. Re-enrollment will require that the student and the parent/guardian register using the Cumberland School Department procedures outlined on the district website.

### **During the School Year**

When a student stops attending school without official withdrawal during the school year, the school must utilize all available interventions before taking any action against the student's enrollment status.

Interventions should include referral to the School Counselor/School Social Worker, referral to the Attendance Officer, phone calls home, and certified letters to the parent/guardian.

The following procedures must occur prior to withdrawing a student during the school year.

1. At **ten** [10] total consecutive absences from school that is not determined to be an excused absence, a letter will be sent home to the student's parent/guardian at the home address on file indicating that the student has been absent from school with no contact from the home and direct the parent/guardian to contact the school to set up a meeting with the building administrator by a specified date.
2. At **fifteen** [15] total consecutive days of absence that is not determined to be an excused absence, a second certified letter will be sent home to the student's parent/guardian at the home address on file indicating that the student has continued to be absent from school with no contact from the parent/guardian and direct the parent/guardian to contact the school to set up a meeting with the building administrator by a specified date.
3. At **twenty** [20] total consecutive days of absence that is not determined to be an excused absence, a final certified and regular USPS letter will be sent home to the student's parent/guardian at the home address on file indicating that the student has continued to be absent from school with no contact from the parent/guardian and advise the parent/guardian that the student will be withdrawn from the Cumberland School Department with an effective date.

It is only when the student cannot be located and all possible interventions have been unsuccessful, that the student may be withdrawn from the Cumberland School Department. Any re-enrollment will require a meeting with parent/guardian, student and the building administrator to discuss expectations related to student attendance.

*Amendments Approved by Cumberland School Committee: 04/14/2016*

## **GUIDANCE AND COUNSELING**

Guidance counselors offer a wide range of services to all elementary students. Your child's guidance counselor can be reached by contacting your child's school. These services can be divided into two major categories: the guidance program and counseling services.

The guidance program presents a sequential, developmental program to all students, kindergarten through grade five. This program is aimed at fostering self-esteem through the development of positive social, emotional, and interpersonal skills.

The counseling services include: individual counseling, group counseling and special group counseling (i.e. peer problems, bullying), as well as parent conferences, and referrals to outside agencies. Teachers, students or parents may request an initial interview between a child and counselor. If sustained support is necessary, parents will be required to sign an approval for services.

## **STUDENT RECORDS**

(Privacy Rights of Parents and Students)

It is the policy of the Cumberland School Department to allow parents and eligible students access to educational records and to obtain the written consent of said parents and eligible students prior to the release of certain educational records. Such access to and/or release of such educational records shall follow appropriate regulations and/or procedures established in conformity with Title 45 of the code of Federal Regulations Part 99 and other applicable Federal and State statutes.

Parents may have full access to and the right to challenge the accuracy of data on their children. Parents may request the opportunity to examine their son's/daughter's cumulative academic record and other pertinent school materials presently in his/her file folder. Parents will be informed within forty-five (45) days of the time and date of this examination. All examinations will take place between 9:00 a.m. and 3:00 p.m. Forms for these requests are available in the guidance office.

## **REPORT CARDS AND MARKING SYSTEM**

Report cards in grades Pre-Kindergarten to grade 5 are standard based and are issued three times during the school year. Report cards are available through the Aspen Family Portal <https://ri-cumberland.myfollett.com/aspn> (This can also be accessed from the district website under "Quick Links" Aspen Family Portal.

## **PHYSICAL EDUCATION**

All students are required to participate in physical education unless excused in writing by a physician. Physician excuses must be renewed each school year. In the event of illness or injury, a one (1) or two (2) day excuse will be granted by the school nurse/teacher with a written note from a parent/guardian.

## **TEXTBOOKS and LIBRARY BOOKS**

The school department provides all basic texts. Textbooks are to be kept free from markings and are expected to be kept in excellent condition. Pupils are required to pay for lost or damaged books.

## **VISITORS**

The safety of our students is a high priority. During the school day, all outside access doors are locked. All visitors are required to report to the main office upon entering the building to sign in and to pick up a visitors badge. Visitors are asked to return the badges to the office at the end of their stay.

## SCHOOL SUPPORT ORGANIZATIONS

Parent organizations are encouraged. The purpose of these organizations is to promote the welfare of children by better understanding and communication between parents, teachers and school officials.

## SCHOOL ATTIRE

Students dress and appearance while attending school should be influenced by the fact that school is a formal experience as contrasted with the informal situation of group meetings for fellowship and play.

Minimum dress guidelines for a proper learning environment are as follows:

1. Attire which does not present a clear and present danger to the student's health and safety.
2. Attire which does not cause an interference with school work.
3. Attire which does not create classroom or school disorder.
4. **“Flip Flops”** and **“Heelies”** are neither appropriate nor safe footwear.

Considerations of health, safety, order and respect for the rights of others should be the dominant factors in a student's choice of health, dress and grooming. Parents/guardians may be contacted for a change of clothes/footwear. Please refer to the policy [J-20 Student Dress Code](#).

## STUDENT RULES AND REGULATIONS

### **STATE AND DISTRICT TESTING**

The major purposes of these assessments are the following:

- 1) To determine strengths and weaknesses in our curriculum.
- 2) To determine where the student is in his/her academic development in order to provide materials and instructional procedures appropriate for this student's needs.
- 3) To diagnose a student's particular strengths and weaknesses.
- 4) To provide a source of information useful in making decisions in students' best interests. Students will participate in the following assessment program:

- PARCC (Partnership for Assessment of Readiness for College and Careers)

Grades 3 through 5 will be tested in English Language Arts and Mathematics

Grade 4 will be assessed in science using the traditional NECAP Assessment

### **CUMBERLAND SCHOOL VOLUNTEERS**

Cumberland School Volunteers assist all Town schools in obtaining volunteers, resources, and special programs. This organization provides services to children, both on an individual basis and through school-wide programs such as individual tutoring, the Reading is Fundamental book distribution program, Child Outreach, the Child Sexual Abuse Prevention project, etc. All volunteers, even those who wish to volunteer only once during the school year, must be registered with the Cumberland School Volunteers. Background criminal checks (BCI) are required in order to volunteer in the Cumberland Public Schools. There is a \$5.00 charge for each BCI. The telephone number for the Cumberland School Volunteer program, administered by MaryAnne Roll, is 658-1600, Ext. 374.

### **SPECIAL AREA CLASSES**

Grades kindergarten through five have one forty-minute period of music and art instruction each week. Students receive one hundred twenty minutes of physical education instruction every two weeks (three forty-minutes classes one week and two forty-minutes classes the following week) as well as forty minutes of library skills instruction every other week. All special area classes are taught by specialists in the appropriate areas.

## **MEDIA CENTER**

The Media Center is serviced by a part-time school media specialist. Students are instructed in library skills and literacy appreciation. Students may borrow books from the school library for a specified period of time and are expected to return these books to the school library when that period of time has expired. Students are expected to pay for lost or damaged books.

## **LITERACY AND MATH**

The academic program in Cumberland's elementary schools is designed around high performance and appropriate content standards that students should meet in order to communicate, make decisions, solve social and task related problems, and continue learning throughout their lives. These standards are from the Common Core State Standards which have been adopted across the nation. The Language Arts curriculum provides opportunities for all students to demonstrate the ability to effectively read, write, speak and listen in a variety of contexts. The Math curriculum encourages independent thinking and problem-solving. The coordinated efforts of classroom teachers, reading specialists and math interventionists provide a continued congruency of integrated instruction on a daily basis. Students are instructed at their appropriate reading levels in the framework of the national Common Core State Standards with support staff providing remedial and academically challenging services as well.

## **TITLE I**

Title I is a federally funded supportive reading program at Garvin and B.F. Norton Schools. Children identified as being most in need of assistance in the mathematics and/or language arts areas receive this help from an intervention specialist.

## **ESL PROGRAM**

Since 1979, the Cumberland School Department has offered a wide range of services to children whose first language is other than English. Home Language Surveys completed upon enrollment and follow-up language assessments combine to determine each child's eligibility for service. Offered to all children at this level are intensive English language classes called English as a Second Language (ESL classes) together with specialized instruction that focuses on literacy and academic achievement.

## **SPECIAL EDUCATION SERVICES**

The Town of Cumberland recognizes that each child has varying needs in the academic, physical and social areas. The school department strives to serve children with special needs within the parameter of the regular classroom. However, when a child's special needs cannot be met within the regular classroom, the student will receive special services provided through the Special Education Department according to an Individualized Educational Program designed to adequately meet the student's needs.

During this time every effort will be made to remediate the student's academic, physical and/or social deficits in the least restrictive learning environment. During the time when services are provided, every effort will be made to provide as many mainstreaming opportunities as possible. The Special Education Department provides a wide range of program and support services for children. Among these programs are programs instructing the special needs students in inclusion or self-contained settings, providing speech/language therapy, psychological services, social work services, adaptive physical education, occupational therapy, physical therapy, services for the hearing or visually impaired, and conducting tests. The end goal of this provision is to affect the student's return to a regular classroom on a full-time basis as quickly as possible.

If you require more information regarding the Special Education Program, please contact the Director of Special Education or the principal of your elementary school.

## **CHILD OUTREACH PROGRAM**

The Cumberland School Department offers, as part of its Child Outreach program, free screenings in the areas of vision, hearing, speech and development. Screening is a series of activities designed to determine how a child is developing and is offered to children three to six years old. Each child is evaluated individually and the results are shared with parents. For the large majority of children, screening indicates age-appropriate development. In some cases follow-up testing indicates that special help may be advisable. An educational plan for the child is developed with parental input and consent.

The Child Outreach staff includes persons whose expertise is in the area of early childhood. Staff members include a speech and language therapist, school psychologist, social worker and educational consultant. These people provide follow-up testing, consultation to parents, and to local nursery school teachers.

The Child Outreach staff will accept a referral from any parent, pediatrician, teacher or other professional concerning a pre-school age child. The Child Outreach office is located at the Cumberland Preschool Center. This program is part of the town-wide Special Education program under the direction of the Special Education Director. For further information, please feel free to call the Child Outreach Coordinator at 723-3250.

## **SCHOOL LUNCH PROGRAM**

All schools in Cumberland participate in the Federal Lunch Program. Nutritious breakfasts, lunches and milk are available at all schools. Applications for free and reduced price breakfasts and lunches are sent home at the beginning of the school year and are available at the school anytime during the year. Menus are printed weekly in local newspapers and are available online at: <http://www.cumberlandschools.org/> (Look in the Quick Links section on the left of the home page.) Breakfast is available to students approximately 20 minutes prior to the start of the school day. The price of an elementary school lunch is \$2.35. Reduced is \$.40. Breakfast is \$1.00 and \$.30 for reduced breakfast. Milk is included in the meal but is \$.50 when purchased separately. The schools have an electronic lunch ticket ID system. All students will have a pin number. This ID number stays with each student until graduation. We encourage parents to prepay for their child's meals on an electronic account. This will help eliminate situations that could develop during lunchtime because of negative balances or failure to bring lunch money to school. Prepayments can be made 24 hours a day using a credit or debit card. Cash and check payments will continue to be accepted. However, payments made through the Online Lunch Payment Vendor portal or by check are preferred for better accountability. Please go to [Sodexo - "My School Bucks"](#) for more information and to register your child(ren).

### **PARENT/TEACHER CONFERENCES**

Parent-teacher conferences are held after the first trimester or upon request by a parent/guardian. By understanding each other's concerns and working together, parents and teachers help bring the child to his/her fullest development. Should you wish a conference with a teacher, please arrange an appointment through your child's teacher.

### **HOMEWORK**

Meaningful homework is a vital aspect of a child's learning environment. Properly used, homework is a tool that will expand a child's opportunity for academic excellence. It is developmental in nature and increases in scope with the maturity and capabilities of the student. Homework improves the learning process, aids in the mastery of skills, and creates and stimulates the pupil in various areas of learning.

Homework will be assigned on a regular basis. Pupils are encouraged to work beyond minimum assignments and to experience the pleasure of learning more in-depth information. Science, social studies and reading are possible areas for extension activities.

### **HEAD LICE POLICY**

Head lice are a common problem among school age children. Head lice are not a medical or public health hazard as they are not known to spread disease. The greatest concerns relative to head lice are social stigma, loss of school time and toxicity due to over-treatment with pediculicide shampoos.

Head Lice do not jump, fly or swim and can only crawl short distances. The usual mode of transmission is through direct head to head contact. Transmission via clothing, hats, furniture and other objects can occur but the likelihood is low because head lice can only live off the host for 1 to 2 days.

The American Academy of Pediatrics discourages head lice screenings, which have not been proven to have a significant effect over time on the incidence of head lice in the school setting. Children should be checked only when demonstrating symptoms of head lice or as determined by the School Nurse Teacher.

1. Egg cases farther from the scalp are easier to discover, but these tend to be empty (hatched) or nonviable and, thus, are of no consequence.
2. Nits are cemented to hair shafts and are very unlikely to be transferred successfully to other people.

3. The burden of unnecessary absenteeism to the students, families and communities far outweighs the risks associated with head lice.
4. Misdiagnosis of nits is very common during nit checks conducted by non-medical personnel.

**General case management of head lice:**

A child with an active head lice infestation should remain in class but be discouraged from close direct head contact with others. As a child with an active head lice infestation has likely had the infestation for 1 month or more by the time it is discovered and poses little risk to others from the infestation.

The School Nurse Teacher will notify the parent/guardian by telephone or by having a note sent home with the child at the end of the school day stating that prompt, proper treatment of this condition is in the best interest of the child and his or her classmates.

**Criteria for return to school:**

Students diagnosed with live head lice do not need to be sent home early from school; they can go home at the end of the day, be treated, and return to class after appropriate treatment has begun. Nits may persist after treatment, but successful treatment should kill crawling lice.

When repeated infestations occur for a child, at the discretion of the School Nurse Teacher a note from the child's physician may be required to assure the child's safety.

Upon return to school the School Nurse Teacher will recheck a child's head and communicate with parent/guardian if needed.

## COMPUTER/INTERNET/ELECTRONIC DEVICE ACCEPTABLE USE POLICY

### PURPOSE

The purpose of the Computer/Internet/Electronic Device Acceptable Use policy is:

1. To ensure the security of all elements of Cumberland School Department (CSD or the District) computer systems, related technology, and electronic information;
2. To delineate appropriate uses for all users of CSD computer systems;
3. To promote intellectual development through the use of computer systems, related technology, and electronic information in a safe environment; and
4. To ensure compliance with relevant state, local, and federal law.

### BACKGROUND

The Cumberland School Department believes that computer systems are essential tools for supporting learning and enhancing instruction. The use of a computer system comes with a responsibility that must be accepted by all members of our school community. Our network provides access to shared resources including printing, file storage, email, and the Internet. By facilitating access to the vast and diverse resources of the Internet, CSD is represented in the global arena by the users of our network.

Although the Internet provides unique opportunities for learning, materials that have no educational purposes that are inaccurate and offensive, are prolific. While we will emphasize safe and efficient searching and try to protect our students from such sites, we reserve the right to supervise computer use in our schools. While we have technology protection measures in place to reduce or limit potential negative effects, the CSD IT Department cannot guarantee that every objectionable site will be disabled in advance or that every student will be monitored at every moment. There must be joint accountability and responsibility from all constituencies.

To permit use of the computer system and the Internet, both teacher and student must agree to this policy. Please review these pages together.

All students and his/her parent(s)/guardian(s) shall be required to sign Student User Responsibilities for Computer Systems, Electronic Information and Network Security Agreement (IGT-RA-E1) affirming they understand this policy and understand the consequences for the violation of this policy.

All employees shall be required to sign Employee User Responsibilities for Computer Systems, Electronic Information and Network Security Agreement (IGT-RA-E2) affirming they understand this policy and understand the consequences for the violation of this policy.
