PURPOSE

It is the policy of the Cumberland School Department to maintain an educational and working environment free from unlawful harassment based on gender, race, color, religion, national origin, ancestry, age, sexual orientation, pregnancy, physical or mental disability, citizenship, genetic information, veteran status, gender expression and/or identity, or any other class protected by federal, state or local laws (“Harassment”). The Cumberland School Department prohibits such Harassment, whether at school, school assignments outside of the school, or at school-sponsored functions. All employees, as well as students, visitors, volunteers and contractual agents are prohibited from engaging in harassment of School Department employees, students, visitors, volunteers and contractual agents.

Harassment is unlawful and can be destructive of student and employee morale, and by extension, the work and educational climate. In addition, Harassment impacts the school and department involved. The school or department may experience an atmosphere of fear, intimidation, declining work productivity, office morale and/or reputation for being unwelcoming to certain students or employees. Therefore, no act of Harassment by an employee of the Cumberland School Department is within the scope of his/her authority. Any employee found to have engaged in Harassment will be subject to disciplinary action, up to and including termination of employment.

In addition, any Cumberland School System student found to have engaged in an act or pattern of Harassment may be subject to disciplinary action, up to and including expulsion. Any such Harassment is unacceptable.

Recognizing both the seriousness and sensitivity of the issue, the Cumberland School Department will mount efforts, both formal and informal, to heighten awareness and understanding on the part of students and employees of the issues involved in Harassment and the urgency with which the Cumberland School Committee views it as a potentially pernicious and debilitating force in the school system.

The Cumberland School Department will administer all provisions of this policy without regard to race, religion, color, national origin, gender, age, disability, genetic information, sexual orientation or membership, participation in, or association with the activities of any bargaining unit or any other class protected by federal, state or local laws.
